how to get ready for your new **B A C K S P L A S H**

- arrange access with Broward Tile Guys team like COI, key/fob, codes, passes & parking
- identify water shut-off*
- locate panel & breakers*
- verify tile order is correct*
- clear pathway to room
- empty countertops/sinks
- move appliances*
- remove rugs/furniture*
- remove trashcan & recycle
- ready cabinet items to vibrate during demolition
- secure kids/pets for the day
- cover smoke detectors (ask us for bonnets)*
- provide 10' x 10' work area near water & power (outside, garage, balcony)
- we cover your floors & furnishings as needed with paper & plastic draping
- remove electric covers*
- prepare to manage dust*
- turn on all lights nearby
- show our crew bathroom, lunch area & fridge access
- plan detailed dusting & final housekeeping the day after your backplash is completed

* ask us / we can help
